At the top, bold white text reads:

“BE MERRY & DINE AT **Disney’s** BOARDWALK”

The word **Disney’s** is styled in its signature script font, while the rest is in large block letters.

On both the left and right corners, there are hanging Christmas garlands decorated with red bows, ornaments, and lights, framing the message.

The scene below shows the **Disney’s** Boardwalk buildings along the waterfront at sunset. The sky glows with orange and golden hues, reflecting beautifully on the water. The buildings are decorated with glowing Christmas wreaths and strings of garland lights, creating a cozy, festive atmosphere.

To the right side of the image stands a large Christmas tree, brightly lit with golden lights and adorned with red ornaments, its reflection shimmering in the water.
